### DESCRIPTION

The ESL-High School summer Bridge Program offers a successful first step to students wanting to improve their English language skills before entering a secondary or high school international setting. It is the perfect transition for students offering a unique curriculum taught by qualified international teachers. Teaching methods are integrated with books, articles, active activities, games, videos and songs. Learn to build a wide vocabulary while integrating a phonics system. Utilize spaced repetition and a memory technique called mnemonics to boost word power quickly. Students will practice through discussion topics that are important for today's youth and that pay particular attention to cultural diversity.

### CURRICULUM: ENGLISH FOR ACADEMIC PURPOSES

Grammar focus, vocabulary acquisition, academic listening practice, reading and writing for academic achievement
